What is WCPAC?

"Each ISD in Michigan is required to appoint a Parent Advisory Committee (PAC), composed of representatives from each of its constituent districts. The representatives "shall consist only of parents of students with disabilities with at least 1 parent from each constituent local school district and public school academy..." - Rule 340.1838 Michigan Administrative Rules for Special Education Supplemented with Selected IDEA Federal Regulations, March 2012 In Wayne County, each of our local school districts is encouraged to appoint one or two PAC representatives. Wayne County Parent Advisory Committee (WCPAC) members often serve as a resource for parents in their community. Each monthly business meeting of the WCPAC includes a parent training segment on issues identified by the members. WCPAC meetings are held on the second Thursday of the following months: Sept, Oct, Nov, Jan, Feb, April & May.
