GENERAL BILLING INFORMATION

Service History Notes:

1. **Describe** what occurred on the date of service. Ensure that the Service History Note (daily note) is sufficiently detailed to allow reconstruction of what transpired for each service billed.
2. **Describe** the “medical” goal of the service.
3. **Indicate** the result of the therapy session (student's response).
4. **Avoid** discussing academic goals/issues or attendance.

Example of Service Note Detail: Assessed student's glucose levels and delivered insulin based on glucose level and student's lunch carb count.

Monthly History Notes:

1. **Summarize** (Evaluate) the student's monthly progress toward your medical/health-related goal.
2. **Include** any changes in medical/mental status and changes in treatment with rationale for change.
3. Service History Notes (Daily and Monthly History Notes (Progress) **must not match**.

Example of Summary Note: The student participates in regular classroom activities, with modifications, such as in-classroom blood glucose testing and medication administration. The student is tolerating insulin injections; glucose levels have been in the normal range during the month.

Annual Requirement:

1. Nursing services must be detailed and written orders provided by a physician, physician's assistant, nurse practitioner, or clinical nurse practitioner and updated annually. Written orders must contain the authorizing providers NPI number, printed name, as well as signature and date.
2. Copies of **all written orders** must be forwarded to Wayne RESA via the Medicaid secure email account.

Record Keeping:

Keep copies of all supporting documentation related to this service for a period of 8 years (FY+7) regardless of the change in

ownership or termination of participation in Medicaid.
