A summary of the session and speaker ratings was also provided to the Commission along with a sample of the resources provided to Michigan School Safety Academy attendees.

Future academies include Grayling (May 14-15), Gladstone (June 25-26), Pontiac (August 20-21), Lansing (September 17-18).

Commissioners asked about the budget and requested a breakdown of the \$400,000 funding provided by the Commission. Ms. Root shared how funding from the Commission has helped the efforts of providing School Safety Academies at no cost to attendees. She also recommended implementing a registration fee in the future to assist with no-shows. The Commission asked if funding continued over the next 2-3 years, what would ongoing planning look like. Ms. Root welcomed the opportunity to continue the work and shared requests from attendees for an advanced academy, 2.0 version, that they would like to see added in the future.

Website Preview
