

Dear GSRP Educators,

The RESA Family Engagement Workgroup is writing to inform you about an exciting resource now available on gomaisa.org: The Kindergarten Transition Toolkit!

Transitioning from preschool to kindergarten can be a significant milestone for children and families alike. To support this transition process, we have provided a comprehensive toolkit filled with valuable resources, tips, and strategies on one flyer to help ease the transition and ensure a successful start to kindergarten.

The Kindergarten Transition Toolkit includes:

1. **Parent Guides:** These guides offer practical advice and tips for parents to prepare their child for kindergarten, including fostering independence, building social skills, and establishing routines.
2. **Educational Activities:** Fun and engaging activities designed to promote early literacy, numeracy, and other essential skills needed for kindergarten readiness.
3. **Checklists:** Step-by-step checklists to help families and educators track progress and ensure that important tasks are completed before the start of kindergarten.
4. **FAQs:** Answers to frequently asked questions about kindergarten transition, addressing common concerns and providing reassurance to families.
5. **Printable Resources:** Printable materials such as worksheets, calendars, and visual aids to support learning and organization during the transition period.

We believe that the Kindergarten Transition Toolkit will be a valuable resource from which educators and administrators will provide information to families as they navigate this important transition in the child's life. Whether it be a family member looking for guidance on preparing a child for kindergarten or an educator seeking resources to support families, this toolkit has something for educators and administrators to share.

You can access the Kindergarten Transition Toolkit by scanning the QR codes or by clicking on the hyperlinks.

If you have any questions or feedback about the toolkit, please do not hesitate to reach out to your CECC or to the members of this workgroup. We are here to support you every step of the way through Kindergarten Transition!

Thank you for your continued support, and we look forward to helping make the transition to kindergarten a smooth and successful experience for all involved.

Best regards,

The RESA Family Engagement Workgroup
