Asbestos, Air, PCM	\$14.00 per sample
Asbestos, Bulk, PLM, Single Layer	\$14.00 per sample
Asbestos, Bulk, PLM, Double Layer	\$20.00 per sample
Mileage/Travel	\$0.81 per mile

Project Conditions/Exclusions

The above referenced Scope of Work and Fee Schedule include the following Special Project Conditions/Exclusions:

- There are no Special Project Conditions or Exclusions associated with this proposal.

Schedule

The above referenced Scope of Work and Fee Schedule are based on completion of the project per the following Project Schedule:

- Schedule and due dates for all activities will be coordinated between Wayne RESA and Arch Environmental Group, Inc.

Alternate schedules and due dates can be discussed, and the information provided above can be changed at the request of Wayne RESA.

ACCEPTANCE OF PROPOSAL

Project Summary

Proposal No.: AE250345
Client: Wayne RESA
Project Site: Beacon Day Treatment Center – Summer 2025 Asbestos Abatement
Project Summary: Specification Development and Bidding

Scope-of-Services

Arch Environmental Group, Inc.'s (AEG) proposed Scope of Work and associated Fee Schedule are based on AEG's understanding of the site conditions and Wayne RESA's needs and objectives. If, as a result of knowledge gained during an investigation or other information that becomes known, AEG feels that a change in level of effort or direction is warranted, AEG will inform Wayne RESA of the proposed changes in the Scope of Work so that negotiation can be accomplished. Wayne RESA shall make available to AEG all information regarding needs and existing site conditions that may affect the Scope of Work. Wayne RESA will provide AEG all information that is known or readily accessible to Wayne RESA that may be reasonably necessary for completion of services to be performed by AEG. Prior to commencement of an investigation or work activity, or at anytime thereafter when new information becomes available to Wayne RESA, Wayne RESA shall provide prompt, full, and complete disclosure to AEG of new information that could affect AEG's performance of its services or could pose potential hazardous conditions or risk to the health or safety of AEG's employees, agents, and/or subcontractors.

Agreement

The undersigned agrees to the attached Proposal, per proposal listed unit rates, and to the General Terms and Conditions associated with this project that are located at <http://archenvgroup.com/terms-and-conditions-htm>. The undersigned is an Owner, Officer or Employee having full authorization to request this work and agree to these Terms and Conditions for Wayne RESA. A Purchase Order or other form of written communication issued by Wayne RESA may be accepted in lieu of this signed Acceptance of Proposal statement. The project will be scheduled upon receipt of this signed Acceptance of Proposal statement, a Purchase Order, or other written communication referencing Proposal No. AE250345.
