

WAYNE REGIONAL EDUCATIONAL SERVICE AGENCY MASTER AGREEMENT

This Master Service Agreement (the “Agreement”) is entered into as of September 03, 2025 (“Effective Date”) by and between Wayne Regional Educational Service Agency (“WRESA”) located at 33500 Van Born Road, Wayne, Michigan 48184 and Michigan Public Health Institute (“Contractor”), located at 2436 Woodlake Circle, Okemos, MI 48864. Collectively, WRESA and Contractor will be known as the “Parties” and individual as a “Party”.

WHEREAS, WRESA wishes to engage Contractor to provide certain services as described in this Agreement;

NOW, THEREFORE, in consideration of the mutual covenants and promises set forth in this Agreement, the receipt and sufficiency of which are hereby acknowledged by the Parties, the Parties hereby agree as follows:

1. Scope of Work

The Great Start Readiness Program (GSRP) [Implementation Manual](#) was originally developed to support Intermediate School Districts (ISDs) following the 2012 transition that designated ISDs as the sole grantee for [32d – GSRP funding](#). Since then, the manual has been updated annually to reflect legislative and programmatic changes. In its current state, the document is repetitive and does not clearly distinguish mandatory requirements from recommendations. It also combines compliance guidelines for ISDs as grantees with those for licensed centers as subrecipients, making it challenging for licensed centers to clearly identify the specific requirements necessary for classroom implementation.

Goals:

Specifically, our goals include:

1. Rewrite and redesign the GSRP Implementation Manual to be more concise and structured, enhancing ease of use for the reader.
2. Develop a user-friendly Companion Guide to the GSRP Implementation Manual specifically for licensed centers.

A. Program Requirements and Specifications

The Contractor must meet all the following specifications and will be held accountable for the delivery, integration, and support of each:

1) Phase 1: Assessment & Planning

- a) Conduct a thorough review of the existing Implementation Manual and supporting documents on the GSRP website.
- b) Identify inconsistencies, duplicated content, and formatting issues.

- c) Develop and propose a new framework for the Implementation Manual, ensuring enhanced navigation and clear identification of GSRP implementation requirements.
- 2) Phase 2: Implementation Manual Redesign and Companion Guide Creation
 - a) Develop a dedicated Companion Guide tailored for licensed centers, outlining their specific GSRP implementation requirements in a user-friendly format.
- 3) Phase 3: Iterative Development and Review of Implementation Manual and Companion Guide
 - a) Collaborate with MiLEAP representatives and designees to thoroughly review existing implementation language.
 - b) Identify essential language required for compliance with legislation and GSRP requirements.
 - c) Conduct a comprehensive review to eliminate unnecessary, inconsistent, and duplicative language.
 - d) Develop final drafts in plain, accessible language to ensure clarity and ease of understanding for all users.
 - e) Conduct a draft review process with MiLEAP, ensuring each revision of the Implementation Manual undergoes thorough evaluation and that feedback is incorporated into successive drafts.
- 4) Phase 4: Final Design and Publishing
 - a) Upon MiLEAP approval, finalize the design of the Implementation Manual and Companion Guide in alignment with current MiLEAP branding.
 - b) Exclusively publish the Implementation Manual as an electronic resource on the GSRP website. Key sections must be formatted for easy printing to support ISD staff during training.
 - c) Ensure Implementation Manual complies with ADA standards to ensure full accessibility online.
 - d) Provide translated versions of the Implementation Manual in Spanish, Chinese, Arabic, and other languages as needed.

MiLEAP will retain full rights to the finalized Implementation Manual and companion document.

2. Contractor Responsibilities

During the Term of this Agreement, Contractor agrees to timely furnish services, materials, information, resources and feedback as reasonably requested by WRESA and/or MiLEAP. Contractor's failure to do so may affect the terms, including without limitation, the payments for Services. In particular, Contractor agrees to the following: **Please see Contractor's proposal (Attachment A) for a description of their proposed solution.**

ATTACHMENT A – RFP REQUIREMENTS AND PROPOSER'S RESPONSE

Attachment A encompasses the complete set of requirements as outlined in the Request for Proposal (RFP) WRESA-39-2025-2026-06 and the corresponding response submitted by Michigan Public Health Institute. The contents of this attachment form an integral part of the Contract and should be read in conjunction with any other contractual documents. The RFP requirements and the Contractor 's response are to be used as a baseline for performance expectations and deliverable standards throughout the duration of the Contract.

FEDERAL PROVISIONS ADDENDUM

This addendum applies to purchases that will be paid for in whole or in part with funds obtained from the federal government. The provisions below are required, and the language is not negotiable. If any provision below conflicts with WRESA's terms and conditions, including any attachments, schedules, or exhibits to WRESA's Contract, the provisions below take priority to the extent a provision is required by federal law; otherwise, the order of precedence set forth in the Contract applies. Hyperlinks are provided for convenience only; broken hyperlinks will not relieve Contractor from compliance with the law.

1. Equal Employment Opportunity

If this Contract is a "federally assisted construction contract" as defined in [41 CFR Part 60-1.3](#), and except as otherwise may be provided under [41 CFR Part 60](#), then during performance of this Contract, the Contractor agrees as follows:

- a. The Contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The Contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following:

Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

- b. The Contractor will, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.
- c. The Contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the Contractor's legal duty to furnish information.
- d. The Contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided

advising the said labor union or workers' representatives of the Contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

- e. The Contractor will comply with all provisions of [Executive Order 11246](#) of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.
- f. The Contractor will furnish all information and reports required by [Executive Order 11246](#) of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.
- g. In the event of the Contractor's noncompliance with the nondiscrimination clauses of this Contract or with any of the said rules, regulations, or orders, this Contract may be canceled, terminated, or suspended in whole or in part and the Contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in [Executive Order 11246](#) of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in [Executive Order 11246](#) of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.
- h. The Contractor will include the portion of the sentence immediately preceding paragraph (a) and the provisions of paragraphs (a) through (h) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of [Executive Order 11246](#) of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The Contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance:

Provided, however, that in the event a Contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the Contractor may request the United States to enter into such litigation to protect the interests of the United States.

The applicant further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: Provided, that if the applicant so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the Contract.

The applicant agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the

administering agency in the discharge of the agency's primary responsibility for securing compliance.

The applicant further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a contractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon contractors and subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive Order. In addition, the applicant agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: Cancel, terminate, or suspend in whole or in part this grant (Contract, loan, insurance, guarantee); refrain from extending any further assistance to the applicant under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such applicant; and refer the case to the Department of Justice for appropriate legal proceedings.
