MDE-OSE / WAYNE RESA
General Supervision and Monitoring

June 13, 2019
PAC Meeting

The MDE-OSE is changing the process for ensuring that the requirements of IDEA are met

WHAT SYSTEM(S) IS IN PLACE TO:

1. Ensure everyone knows the requirements of IDEA?

2. Verify everyone is implementing the requirements correctly?

3. Support identified areas of improvement?

IDEA SUPERVISION
Coordination and Communication

Funds for compliance and outcomes

Part B Recipient General Supervision §300.149

Sub-Recipient Support/Ensure Provision of a FAPE

Supervise Implementation of a FAPE

Implementation of a FAPE

OSEP — OSE — ISDS — LOCALS — SCHOOLS — KIDS
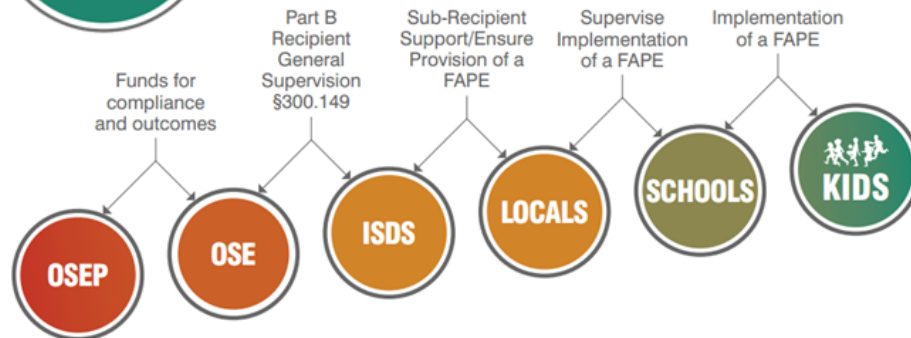

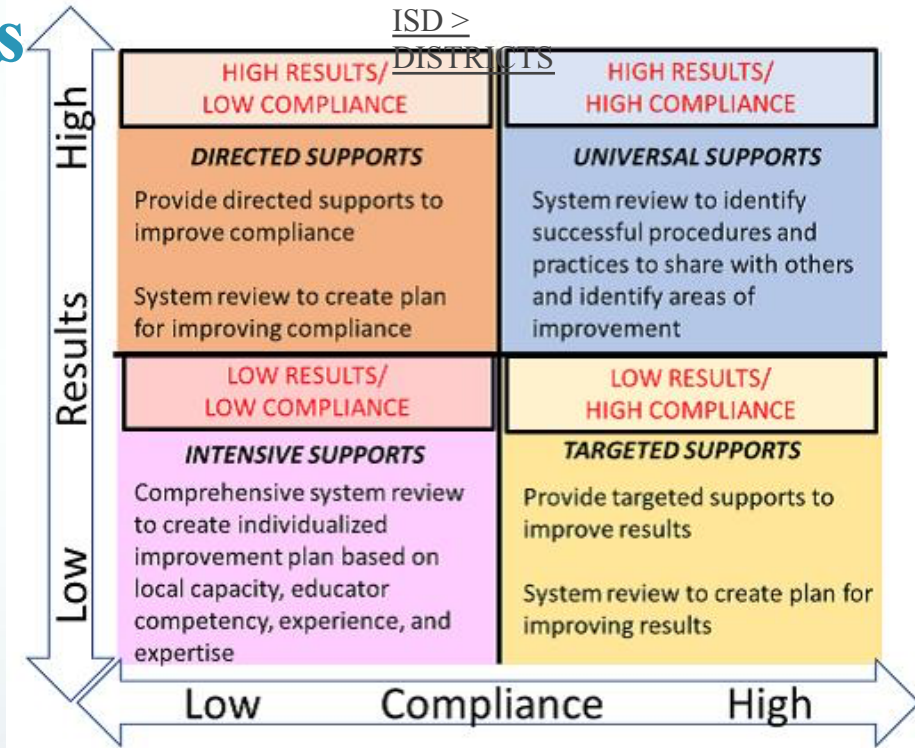

MDE has shifted requirements/responsibility to ISD

K

What We Have Done So Far….

+ Began a sytematic approach to reviewing LEA/PSA data relative to special education performance indicators
+ Began identifying a process of prioritizing districts by level of need using the quadrant approach
+ Identified a need for generic special education policies and procedures
+ Agreed to be part of Cohort 0
+ Consistently communicated with Special Education Administrators

The Quadrants

ISD >
DISTRICTS

Results (axis: High / Low)
Compliance (axis: Low / High)

HIGH RESULTS/ LOW COMPLIANCE

DIRECTED SUPPORTS

Provide directed supports to improve compliance

System review to create plan for improving compliance

HIGH RESULTS/ HIGH COMPLIANCE

UNIVERSAL SUPPORTS

System review to identify successful procedures and practices to share with others and identify areas of improvement

LOW RESULTS/ LOW COMPLIANCE

INTENSIVE SUPPORTS

Comprehensive system review to create individualized improvement plan based on local capacity, educator competency, experience, and expertise

LOW RESULTS/ HIGH COMPLIANCE

TARGETED SUPPORTS

Provide targeted supports to improve results

System review to create plan for improving results

K

How Does It Affect My District?

+ Wayne RESA is charged with providing evidence of the support to local districts based on that district's identified quadrant.
+ MDE holding Wayne RESA accountable for local district data and will determine a county quadrant.
+ MDE holding Wayne RESA accountable for documentation of the "3 circles"
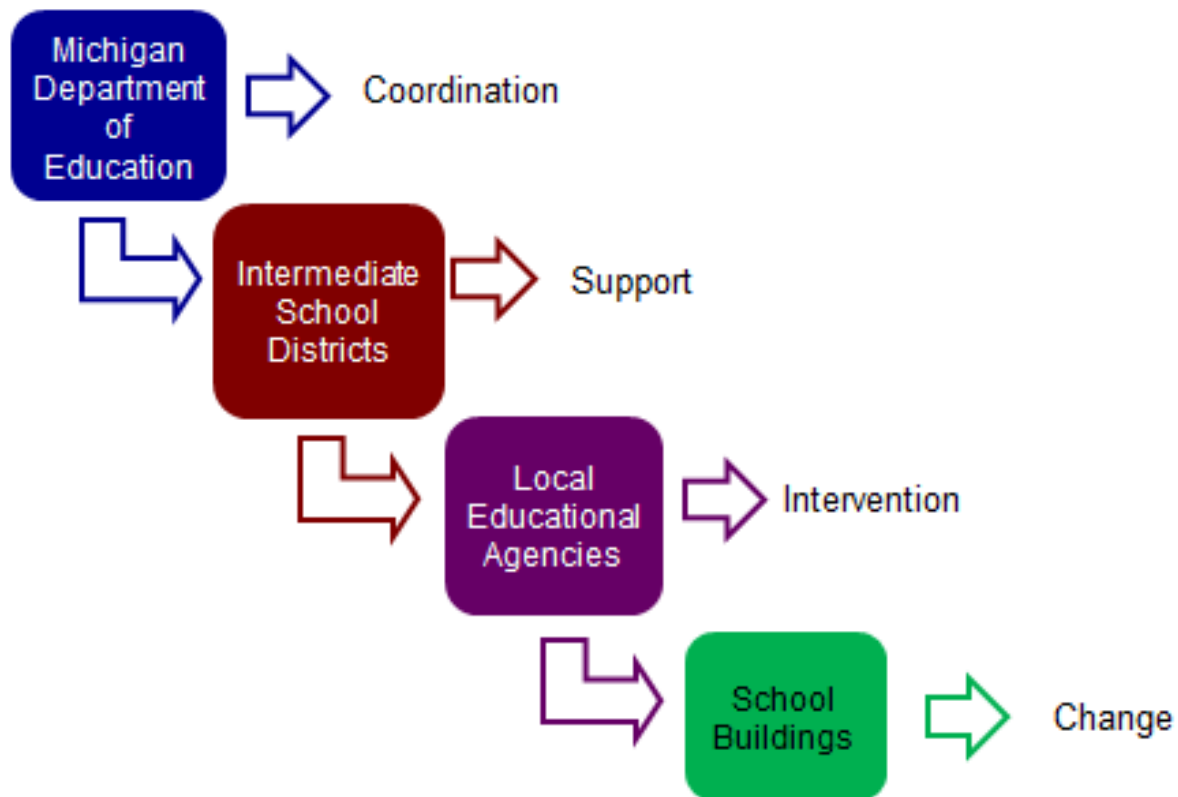

The Three Big Questions

What systems are in place to:

1. Ensure everyone knows the requirements of IDEA?
2. Verify everyone is implementing the requirements correctly?
3. Support identified areas of improvement?

Components of General Supervision and IDEA Accountability Systems

State Performance Plan, including the State Systemic Improvement Plan

| Data on Results and Processes | Integrated Monitoring Activities | Policies, Procedures, and Effective Implementation of Evidence-Based Practices | Professional Learning and Development and Technical Assistance |

Fiscal Management and Accountability

Effective Dispute Resolution

Improvement, Correction, Incentives, and Sanctions
