PRELIMINARY BUDGET

Wayne RESA

2023-2024

From Wayne RESA Superintendent, Daveda J. Colbert, Ph.D.

April 28, 2023

Dear Superintendents and Board of Education Members:

This budget package reflects the projected financial profile of the Wayne County Regional Educational Service Agency's operations for fiscal year 2023-24. This information was presented to the Wayne RESA Board of Education on April 19, 2023, for review and discussion. A hearing for constituent districts will be held at the May 17, 2023, Wayne RESA Board of Education meeting. The budget is also being presented for formal approval at the June 14, 2023, meeting of the Board.

As one of the 56 intermediate school districts in the State of Michigan, Wayne RESA works closely with each of our 33 local school districts to ensure that our programs and services positively impact teaching and learning. We are connecting with, and directing our services, resources and leadership to Wayne County districts and schools with the goal of making these services relevant, cost effective, and focused on improving student achievement. Additionally, it is imperative that we continue to assist in targeting, maximizing, and distributing critical resources and to provide cost saving opportunities through collaboration, support, and economies of scale. Wayne RESA's support and expertise provided to local districts leads to clean audits, quicker resolution of issues, uninterrupted local services during periods of employee transition, and process improvements that help districts' operations run smoother, freeing up valuable time to keep the focus on improving instruction for our students.

The attached budget document provides a high level of information for your review. Additional detail is available on our website at www.resa.net under "About Us", then "Reports". Answers to many of the questions we are asked can be found in the FAQ document also posted to the report page of our website. The Wayne RESA General Fund continues to have a positive fund balance and the Wayne RESA Board of Education has taken the position that we will manage the use of our fund balance to assure stability in our services from year to year, while optimizing vital services to support our districts.

Your questions or points of interest regarding this proposed budget are invited and should be directed to Drew McMechan, Assistant Superintendent of Financial Services at (734) 334-1564 or at mcmecha@resa.net

Of course, you are always encouraged to contact me directly if you have any additional questions or comments about any aspect of Wayne RESA.

Sincerely,

Daveda J. Colbert, Ph.D.
Superintendent

Who We Are and What We Do

Wayne RESA is a regional educational service agency that provides a wide variety of services to children, families and communities. We coordinate many of our programs with Wayne County's 33 public school districts and 99 public school academies. We also provide services to local and intermediate school districts in other parts of the state.

The services Wayne RESA provides range from curriculum consulting, leadership and content coaching, and staff development, to helping districts maximize technology in the classroom and in their business and administrative operations. Wayne RESA's services save taxpayers millions of dollars annually and enable districts to concentrate more time, money, and energy on the direct education of students.

With a projected budget of over \$646.9 million, Wayne RESA's budget includes **more than \$541.6 million that is distributed to local districts and agencies**

to cover the costs related to special education, Medicaid, the enhancement millage, and other special projects and grant-funded initiatives.

The Preliminary Budget reflects the expected revenues and planned expenditures for the 2023-2024 fiscal year. While projections are as precise as available information will permit, it is anticipated that adjustments will be necessary during the coming year.

The Preliminary Budget provides a comprehensive financial profile of all of the funds of Wayne RESA, as well as supplementary information to promote a more complete understanding of WRESA's financial structure.

Each of the individual funds includes a brief description of their purpose, and in the case of the General Operating Fund and the Cooperative Fund, are followed by links to detailed budgets for each cost center.
